

eylet

**NFC Business  
Card Partners**

# eylet Official Partner Program

Sell eylet NFC digital business cards to your customer you can include your brand name and have the "Powered by eylet" text on the business card. Sell your NFC digital business cards.

## We have two options

# eylet

**1** Sell eylet official branded NFC cards and other eylet products.

**YOUR BRAND**

**2** Sell your own brand of NFC cards and products powered by the eylet app.

Benefits to you are a global app in twelve languages and full customer support. You just focus on selling the NFC digital business card products.

You can manufacture and make packaging yourself. We have full design guides and work with many NFC manufactures and Printing companies.

You can use eylet logo in packaging and sell on all marketplaces like Amazon, Aliexpress, Temu etc.
